Gaines After School Program

Beginning Thursday, January 21st, Gaines Elementary will be offering a community-based after school enrichment program. Volunteers from Knights of Columbus, Lyons, Barons, Gaines Elementary, and local churches are teaming together to support our students. Parent volunteers are welcome to help as well.

Session 1 of this program will be held on four Thursday afternoons from 3:40-4:45 p.m. on January 21st, January 28th, and February 4th. A snack will be provided. **Our 4th session (February 11th) has been cancelled due to scheduling conflicts with Parent-Teacher Conferences.**

This year we are doing a club approach and your child will spend one hour working in their club for the whole four weeks. This allows for longer projects and extended learning. Sessions will be limited to the number of participants and registration will be closed after Tuesday, January 19th. We need a minimum of 4 students to have the club run.

Choose your first and second choice for this first session:

- Painting (will have a finished picture on canvas)**
- Sports Club (open to students in 3rd thru 5th grade)**
- Math Homework**
- Technology (open to 3rd thru 5th grade)**
- Art and Crafts**
- Chess**

We are looking to borrow some chess sets for the students to use. If you are willing to lend us one please let us know.

I realize that I am responsible for picking my child/children up by 4:45 p.m.
