Time	Observations	Lessons Learned
7:50	Arrival	
7:50-8:30	Parent concerns, missing homework, lack of communication	Administrators wear many hats, none more important than addressing behavioral issues and communication concerns.
8:15	Show guest teacher classroom and introduce self and school	Administrators are the face of the building and should be sure to introduce themselves to all newcomers in the building with a warm welcome.
8:40	Pledge leaders, announcements, birthdays	Administrators are the voice of the building and thus morning announcements are a good way to make your voice heard in all classrooms on a daily basis.
8:50	Contact Syring principal, concerns over house fire and little boy's death. Wanting to help. In charge of McKinney Vento Homeless Program.	Many responsibilities not only at the building level, but at the district level. Prioritizing is a key skill to develop.
8:57	Stephanie Sortor – WIDA testing – Certified K-5, taught 7 years, licensed teacher to administer language diverse students	
9:00	WIDA assessment meeting –Flint Schools coding kids as EL –requires testing – frustrating forall parties – prepped spreadsheetof who is to be tested K-12 perbuilding - Issues with ValentineParties, wanting to avoidMonday's and Friday's fortesting – Broke down scheduleby days and by building – boxesprepped by building – testingmaterials provided – sorted andlabeled – communicating to allother district administrators –notifying teachers of testing and	Organization and flexibility is key to success in all tasks.
